SUBJECT.

Proposals for the entertainment of Volter mustadis in all the Taluks of the Province for Excise Work.

LAST REFERENCE.

Letter No. 5770/367 dated 1st/6 May 1893 from the Excise Commr in Mysore.

Work in Taluks has increased under the New Arrack and Toddy Systems. The Existing Taluk Establishment cannot cope with the work. Taluk Toddy Inspectors are kept at Taluk Kasbas to prepare Abkari accounts to the detriment of their legitimate work of inspe

date groves and toddy shops &c.

Before the abolition of the Sayer Establishments, there was a Vottu Mukaddi in each Taluk to do the work connected with Excise (i.e Abkari and Sayer) and Forests. All the Dy Comrs are in favor of the proposal.

In submitting a Statement showing the pay of the Vottu Mukaddys proposed for each Taluk fixed in proportion to the importance of each Taluk, the Excise Comr solicits the favor of early sanction thereto.

Rs 15 is fixed as pay for each Mukaddy employed in Malnad Taluks. No Mukaddy is allowed for Sub-Taluks on the ground that accounts are prepared in the Taluk office.

No Rules for orders.

The Chief Secretary
to the Dewan of Mysore

Sir,

I have the honor to state that during my recent tour of inspection, some of the deputy Commissioners and Amildars urged on my attention the increase of Excise work in Talaks under the new Arrack and Toddy systems, and the consequent necessity for an additional Accountant in each Taluk. It also came to my notice that, in consequence of the present Taluk establishments not being able to cope with the heavy Excise work, the Amildars unavoidably with-draw Toddy Inspectors from their legitimate duty of Inspecting date groves, shops &c and employ them to prepare

Abkari

Abkarri Accounts and statistics, and that the object for which the Coddy establishment has been organized, is thus defeated. Under such circumstances I intended to move the Government to restore the appointment of a Vottu mutuddy on Rs 12 per mensem, which originally existed in each taluk to do the work connected with Excise (i.e. Abkarri and Sayer,) and forests, and which was afterwards dispensed with on the abolition of Sayer establishments. With such object, I invited the opinions of the Deputy Commissioners as to whether the post of the Vottu mutuddy should not be restored in each taluk. The whole of them are in favor of the proposal, as may be seen from the accompanying copy of correspondence.

2. I beg to submit, herewith, a statement showing the pay of the Vottu mutuddy proposed for each taluk, and to solicit the favor of early sanction of Government to the same.

The

The pay is fixed in proportion to the importance of each taluk. 4

I have the honor to be.

Sir,

With reference to your docket

No: 4630–37/143, dated the 3rd Instant, regarding the appointment of Vellan mutuddies for the Talooks to do the work connected with Excise, I have the honor to state that the measure is a most desirable one, the work in this branch having of late immensely increased. A Mutuddy on Rupees 12 or 10 per mensem according to the importance of each Talook is urgently required, as per margin, for the proper discharge of the duties relating to the Department—

Goribidanoor	12 Rs
Mulbagal	12 Rs
Chintamony with Sidlaghatta per	12 Rs.
Bagepally with Gudibanda	12 Rs
Remaining five Talooks at Rs 10 each	

2. I beg to avail myself of this opportunity to bring to notice that for similar reasons the necessity for the employment of a clerk to attend to the Excise work in the District Office cannot be overstated. The time of the present Accountant attached to the District Treasury on Rupees 15 is wholly occupied in the compilation of the accounts

Note A Clerk will be transferred from the Excise Comr's Office to this District, on the proposed establishment for the Excise Comr's Office pro. 5 and 6

accounts of collections &c. so that there is absolutely no officer hand to look after the correspondence wo which has became very heavy

3. Two Toddy Inspectors have been sanctioned for the Melbagal Taluk one on Rupees 30, and another on Rs 25 a month. It has since been found that one Inspector on Rupees 30 will suffi for the Taluk I would therefore beg to re-commend that the services of the other be dispensed with and the sum of Rupees 31 thereby saved including the pay of his peon, be utilized for the entertainment of a clerk on Rupees 20/ for the district office.

Note. One of these Inspectors has been sent to Bangalore to aid the Toddy Arrack work there.

Has the honor to state that it is necessary to allow a Gumasta to Amildars and Deputy Amildars for Abkari work. The undersigned urged this point long ago, in his reply to Government order of the 12th April 1892, about the Toddy Establishment. Sir,

In reply to your docket No: 4630-37/143, dated the 3rd instant, and the

the appointment of a Wotta mutsaddi to each Taluk for the preparation of Excise Accounts and statistics, — I have the honor to state that the appointment is in every way desirable. By a reference to former Baramahals I find that a Wotta mutsaddi has been employed on a salary ranging from 15 to 20 Rs per month, only for the more important Taluks as — Periapatam (now Hunsur) Chamrajnagar with a Gumasta besides on Rs 10 for all the Taluks.

I would therefore propose that the pay of the Wotta mutsaddi may be fixed at Rs 15 and 12 according to the importance and work of the different Taluks, as noted in the margin

With reference to docket-

once proposed the desirability of
strengthening the Taluk staff on

Government but received no
sanction to it (vide also note E to
statement B received with Excise

The fact of the present staff
of the Taluk being too small to
cope with the daily increasing work
of every Department is not unknown
to Government, and should a case

Edigars.

2. There will always be some-thing to do either about collection or about settlement of disputes involving enough of work (account and correspondence) for one intelli-gent official. With regard to pay it may be 15/ Rs as, in these days of costly living and of high rents to houses even in Taluk Kasabas 8 annas per day is not very high.

3. There is no question raised about establishment in the district office. Now that arrack work has been taken over and the work in the Excise Depart-ment is being systematised in all details, the district establishment has also to be strengthened in this branch for the efficient discharge of work

Sir,

In reply to your docket — No: 4630-37/143 of the 3rd instant, I have the honor to state that I quite concur in your views as to the — necessity of an additional hand at each Taluk Kacheri to do the Excise work, and in the fact that the Abkari Inspectors should never be withdrawn from their legitimate

duties/ Tahsildars in their respective ranges

2. I had proposed a smaller scale of Gumastas in para 6 of this office letter No: $\frac{602}{42}$, dated the 10th June last, not taking into account the larger work which was not in question then. I agree with you also in thinking that the pay of a Taluk Wat-Mutaddi should be Rs 12 a month

3. Though the Talukes of Sirsi and Sagar of this District have no date Toddy at all, and the work connected with the Bagni Toddy is very small in them, the Sagar work is very heavy and so the rate of pay of Wat-Mutaddis in these Talukes also, may, as well be at 12 Rs
